

Laser Physics & Technology Unite

***The 6<sup>th</sup> Workshop on  
Laser Technology & Applications  
(Nanostructures and Nanotechnology)  
Thursday, December 31<sup>th</sup> 2009***

Faculty of engineering, Shoubra ,  
**Benha University**

**Joint with  
The Egyptian Society of Material Science  
(Eg-MRS)**

**HELD UNDER THE AUSPICES OF  
Prof. Dr. Safwat Zahran  
President of Benha University  
&  
Prof. Dr. Assem Abdelaleem  
Dean of the Faculty of Engineering Shoubra**

**Prof. Dr. Sohair Negm  
Workshop Chairman**

## **The aim of the workshop**

**The aim of the workshop is to bring together scientists and engineers working in academic and applied research in the field of Lasers and its applications.**

### **Invited speakers**

- 1- Prof. Mostafa Elsayed**  
(Julius Brown chair and Regent Professor, Director Laser Dynamics Laboratory, Atlanta, Georgia, USA)
- 2- Prof. Lotfia El Nady**  
(Prof. of Physics, Cairo University)
- 3- Prof. Hassan Talaat**  
(Prof. of Physics, Ain Shams University)
- 4- Prof. Sohair Negm**  
(Prof. of Physics, Benha University)
- 5- Dr. Mona Bakr**  
(Lecturer of Physics, Cairo University)

### **Organizing Committee**

**Prof. Dr. Sohair Negm (Chairman of LPTU)**

**Dr. Khalid Easawi**

**Mohamed Nbeel - Ahmed Khaled - Kareman Elshemi**
